

## Southern California Bakery Items

The nutritional values provided in this guide or shown on menus or menu boards should be considered approximations. Variations in nutritional values throughout this menu may occur due to deviations in preparation, availability of ingredients, seasonal changes, cooking processes and custom ordering. Data is rounded to meet FDA regulations. 2,000 calories a day is used for general nutrition advice, but calorie needs vary. All of our food items are produced in facilities where known allergens are present. We cannot guarantee that any of our products are free from allergens (including dairy, eggs, soy, tree nuts, wheat and others) as we use shared equipment to store, prepare and serve them.
